We are working with a pool designer and will have the pool open by the end of summer. We will also be adding a BBQ pit, picnic tables and a gazebo for outside recreation!

We have hired a new Activities Coordinator for Cedar Springs named Melissa and she is available to listen to any ideas or feedback on events you would like to see.

REMINDERS

Referral program- If you refer a friend and they sign a 12-month lease, you will receive a free month of rent!

Book Club, Garden Club and Resident Council

Several residents provided feedback regarding starting a book club. I need your help regarding what titles, authors and genres that everyone would like to read and discuss. Also, do you want a biweekly book or monthly?

We would like to put together a community council to meet once a month. We will put this on the event calendar so that everyone knows when it meets. This would be a time to have your voice heard. Is there a certain event you would like to see? Do you have ideas and opportunities you want heard?

Community Garden Club- We are expanding, repairing and placing a path to the garden. The garden club would help to plant new fruits and vegetables and help maintain the garden!
